

**Supply chain complexity.**

**Precisely managed.**

A complex supply chain doesn't have to be inefficient. Perhaps it doesn't even have to be complex. xpedx resources, technologies and international capabilities are in place to streamline processes — from global sourcing or manufacturing to final customer — and serve-up savings. Unravel complexity and savor end-to-end order and efficiency, with xpedx Supply Chain Services.

 **Everything in Place. Everywhere.™**
